*"I listened to you this afternoon, my love. what an amazing vibration you bring thru!...As always, you speak it like it is and bring the creative orgasmic power of the universe right back where it belongs: in us! thank you for the song you sing."*

David Cates, [www.dakacoach.com](http://www.dakacoach.com)

*"You make my mind work, thinking "properly" or in a different way. Once i trusted you, and i do, you gave me confidence, insight, love, and pleasure...Your sincerity and your desire to see me happy (not just sexually) is the most important thing for me. You are not a "counselor" to me. You are a healer."*

Ba-Ab, Business Executive, Long Beach, CA

*"I did not know what to expect that afternoon, My Queen and I felt like a sort of reuniting had taken place and without the costumes and mask. Mind, Body, Spirit Awakening happened that day, We didn't have to see a Marriage Counselor for some of the disharmonies we were experiencing. We did need someone that could share their Love and Wisdom with us, Wow Nut! This for us was truly a sacred sexuality experience I thank you again."*

Broheem, Jazz Artist, Los Angeles, CA
